Many Kentuckians To Ask 'What Time Is It?' Soon

By WILLIAM BRADFORD  
FRANKFORT (AP)—Travelers through Kentucky this year may wish that their watches were set back one hour.

The law requires that Kentucky go to Daylight Saving Time beginning the second Sunday in April except in those areas where the law does not apply.

Frankfort, where the law is not in effect, will be the only place in the state where the law does not apply.

SAUCER MYSTERY SOLVED

Rowling Green (AP)—Police officers in Bowling Green, Ky., have solved a mystery that had puzzled the community for weeks.

SAUCER MYSTERY SOLVED—Police officers in Bowling Green, Ky., have solved a mystery that had puzzled the community for weeks.

The mystery involved a saucer-shaped object that was found in a field. It was initially thought to be a UFO sighting, but it was later identified as a piece of debris.

The object was found by a local resident who reported it to the police. The police conducted a thorough investigation and eventually identified the object.
